

Forces 1

Directory Inquiry

(+ Mind ••) Sometimes it's useful to know someone's telephone number. A mage using this spell can reach his senses into a mobile phone or into the land line of a building (he only needs to be able to see the phone line leading into the building) and divine its number.

Action: Instant

Duration: Lasting

A mage who has cast this spell can use the Forces 2 spell "Transmission" to call the number he's just divined without having to pick up a phone himself.
